**Notice: November 1, 2016: We are aware of the Colonial Pipeline explosion in Alabama that occurred on October 31<sup>st</sup> that could cause supply issues for the southeast and entire east coast. Until product inventories return to normal, end users should provide our contractors as much lead time as they can for orders and expect delivery delays. Please inform MMO of any significant issues concerning delivery or other inability to perform. We will continue to monitor the situation and update as needed.**

**Note: In order to start the delivery clock, a written PO must be issued to the vendor.**

#### **UPDATE**

**07/20/2016**

**The new impending award has been protested for the re-solicitation of these services. Due to that protest, the State has opted to extend the current contract under an emergency basis for up to a year or until the new contract is in effect.**
